

Rabbi Avi Kaplinsky, Director

Dear Parents of Fifth Graders,

Welcome to Camp Nofesh 2024! Once again, we have planned an outstanding summer of ruchniyus with an emphasis on Torah and middos tovos and a summer of fun, excitement, and adventure, including exciting trips for all ages. We encourage you to register early so that you and your boys can take advantage of our early bird special.

For those of you who are new to Camp Nofesh, we are proud of our reputation for an excellent learning program featuring professional Rabbeim. There is a prize store providing learning incentives for every camper. We have weekly and monthly best-in-learning winners to encourage every learning group and weekly/monthly best in middos winners.

Our camp boasts a full-scale camping program including 2 beautiful and well-guarded pools, and spacious grounds, as well as full access to nearby parks and well manicured ball fields. We have exciting league competition with championship trophies and middos trophies awarded each half. Our excellent staff of counselors headed by Rabbi Shabsi Horowitz provides a safe, caring, and fun environment for our boys to play competitively. We are also keenly aware of those boys who enjoy alternatives to sports and we will provide them with extra access to the hobby room on days of arts and crafts, as well as our well-equipped game room.

Camp Nofesh boasts an excellent aquatics program run by our Aquatics director Rabbi Yaakov Rabinowitz, an experienced and talented water safety instructor. Our aquatics staff is trained and coached by Rabbi Rabinowitz and Rabbi Horowitz to give small group instruction to each and every child.

In addition, we have Rabbi Shmuel Rowner as the Camp Nurse on premises. He has many years of experience and is very capable in his role providing first aid care and handling boys with allergies, asthmatic conditions and for any and all health-related concerns. Parents are requested to contact him any time with any health concerns they may have with their son.

Of course, among the highlights of camp are our entertaining special activities. This year all the boys in Camp Nofesh will enjoy the spectacular on campus Nofesh amusement park/carnival day, with amazing inflatables and rides. Plus, there are a host of other special activities including Color War, Nofesh petting zoo, Olympics, Deal or No Deal) and much much more.

Camp Nofesh is famous for its fabulous and exciting trips to fun and exotic places. The fifth grade will have its own exciting and exclusive overnight (first half, to be announced). Details about this and all other trips will be sent to you via email when our itinerary is finalized.

Camp Nofesh enlists a security agency to provide guards for our campers every day from 8:30am – 5:30pm (Friday until 1:30). Camp Nofesh will therefore be charging \$100 per family to help defray the cost of providing this service.

Camp begins at 9:25am each day (with supervision beginning 9:15 AM) and ends at 5:15 PM.

After 4:00 PM campers will daven mincha, have a short shiur, get a snack provided by the camp and enjoy a special activity until the 5:15 dismissal. Friday dismissal will be at 1:15pm. In addition to our regular program, there is an option for an early drop off, whereby, for a small fee, parents can drop off their children at our facility as early as 8:30 A.M. Details will be in the pre-camp mailing. There will be three special evenings over the course of the summer when the fifth graders will go home at 4:00 with the younger campers and return for our popular mishmar program from 6:45 – 8:45 to enjoy a shiur, some canteen snacks, and a supervised activity in the computer room, game room, and gym. There will also be three special night activities (to be announced). Tentatively, night leagues, a trip to Thrillz in CT with the Elite, followed by a BBQ Dinner. Amusement rides and restaurant night with the Elite campers in camp.

In addition, the fifth graders will receive \$1.50 canteen daily (except days absent, full day trips and fast days).

Camp Nofesh is working hard to assure that your children have the absolute best summer experience possible. So, register now for an exciting, memorable summer! Register by January 15, 2024 and receive the early bird discount. See pricing page for details.

If you register before March 20<sup>th</sup> your son will receive a Camp Nofesh T-shirt *with his name on the back* in the first week of camp. See registration form for details.

Please visit our website at [campnofesh.org](http://campnofesh.org). If you would like a USB of the camp video, please email [agoldman@campnofesh.com](mailto:agoldman@campnofesh.com) and include your son's grade in the email. If you have any questions, please feel free to call me in the afternoon and evenings at 551-206-3395.

Sincerely,

Rabbi Avi Kaplinsky

# Instructions for Completing the Universal Child Health Record (CH-14)

## Section 1 - Parent

Please have the parent/guardian complete the top section and sign the consent for the child care provider/school nurse to discuss any information on this form with the health care provider.

The WIC box needs to be checked only if this form is being sent to the WIC office. WIC is a supplemental nutrition program for Women, Infants and Children that provides nutritious foods, nutrition counseling, health care referrals and breast feeding support to income eligible families. For more information about WIC in your area call 1-800-328-3838.

## Section 2 - Health Care Provider

1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema; asthma medications for wheezing etc.)

- **Weight** - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
- **Height** - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.
- **Head Circumference** - Only enter if the child is less than 2 years.
- **Blood Pressure** - Only enter if the child is 3 years or older.

2. **Immunization** - A copy of an immunization record may be copied and attached. If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4860.

- The Immunization record must be attached for the form to be valid.
- "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

- a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at [www.nj.gov/health/forms/ch-15.dot](http://www.nj.gov/health/forms/ch-15.dot) or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.
- b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

*Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.*

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

e. **Allergies/Sensitivities** - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at [www.pacnj.org](http://www.pacnj.org) or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.

- For lead screening state if the blood sample was capillary or venous and the value of the test performed.
- For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
- Scoliosis screenings are done biennially in the public schools beginning at age 10.

This form may be used for clearance for sports or physical education. As such, please check the box above the signature line and make any appropriate notations in the Limitation to Physical Activities block.

5. Please sign and date the form with the date the form was completed (note the date of the exam, if different)
  - Print the health care provider's name.
  - Stamp with health care site's name, address and phone number.
